Maharishi World Peace Assembly

His Holiness Maharishi Mahesh Yogi Ji has always reminded us that “Life is Bliss, Life is Perfect”. Maharishi Ji has gifted the humanity with Transcendental Meditation (TM), TM–Siddhi programme including Yogic Flying, Advance Techniques of TM, knowledge of Veda and Vedic Literature and its practical technologies. We all know that regular practitioners of Transcendental Meditation twice daily enjoy immense physical and mental benefits including enhanced coherence, peace, prosperity, better inter-personal relationship and better health. In order to enjoy the ‘Bliss’ in the life, to create atmosphere of peace within and in the society, Maharishi World Peace Assembly is being organized.

His Holiness Maharishi Mahesh Yogi Ji has provided the light of knowledge to the whole world by lighting the lamp of Ancient Indian Vedic Knowledge. There is no subject or context of human life on which Maharishi Ji has not showered his knowledge. Maharishi Organisations have resolved under the leadership of his most blessed disciple Brahmachari Girish Ji that

through “Maharishi World Peace Assembly”, Maharishi Ji’s knowledge, programme and philosophy should be made known to all the people living in every corner of India and rest of the world.
